Meet at 8:45am at the parking lot next to the Badger Museum (on Hwy 12 ca. 4 miles north of Sauk City, east side of highway across from Citgo gas station). Most of our volunteer effort is focused on the "Hillside Prairie" on state land within Badger, and we are restoring the prairie/savanna complex by removing invasive species (shrubs & weeds).

Wear layers of clothing appropriate for the weather, long pants, durable shoes or boots, work gloves if you have them and a hat. We'll provide gloves, hand tools and refreshments.
